ROYAL PIER HOTEL

The Royal Pier, one of Sandown's most popular hotels was originally built by the Victorians for Princess Beatrice as her summer residence. The property later became a very popular meeting place for those wealthy travellers who followed in the path of Royalty to walk the pier and enjoy the invigorating fresh sea air. Hence the Royal Pier Hotel was established and has since accommodated many visitors either for a short break or a long family summer holiday.

Sandown is one of the Islands leading seaside resorts situated beside the sparkling waters of Sandown Bay with its shops, cafes, pubs and restaurants. Along the Esplanade you will find bowls, crazy golf, a pitch and putt course, the Tiger Sanctuary and Dinosaur Isle Museum. The Royal Pier is ideally positioned on the seafront, facing one of the finest beaches on the Island and the Pier with its family amenities. There are some lovely long coastal walks that can start from the Hotel. The main High Street is only a few minutes away.

Our spacious dining room overlooks the Esplanade, beach and has views of Culver Cliffs. Well prepared meals are chosen from a varied menu and served by our friendly staff.

We have 65 Bedrooms which are a combination of singles, doubles, twins and family rooms and many benefit from sea views. The Hotel is centrally heated throughout and there is a lift to all main floors.
